**APPLICANT'S SUBMISSION UNDER 37 CFR 1.114 IN SUPPORT OF REQUEST FOR
CONTINUED EXAMINATION**

Dear Examiner Patel:

In response to your Office Action mailed June 23, 2005, Applicants request continued examination pursuant to 35 U.S.C. 132(b) and 37 CFR 1.114.

As set forth in 37 CFR 1.114(a), an applicant may request continued examination of an application by filing a submission and the requisite fee prior to the earliest of (1) payment of the issue fee; (2) abandonment of the application; or (3) the filing of a notice of appeal to the U.S. Court of Appeals for the Federal Circuit or the commencement of a civil action. As none of the above matters have yet occurred, Applicants' Request for Continued Examination (RCE) is timely and proper. Further, Applicants' RCE is proper because prosecution in the subject utility application is closed, as the last Office Action of June 23, 2005 is a final action. Also please find the attached RCE fee under 37 CFR 1.17(e).

Please amend the application as follows:
